ABOUT ME

I am Mahmoud Sallam, a fifth-year chemical engineering student with a passion for front-end development and space science. I have a strong foundation in chemical engineering principles, an interest in cutting-edge technology, and a drive to constantly learn and improve. In my free time, I enjoy exploring the latest developments in front-end development and space science. I am well-rounded and poised for success in my chosen field.

EDUCATION AND TRAINING

BE in Chemical Engineering

An-Najah National University [01/09/2018 – Current]

Address: Nablus (Autonomous Palestinian Territories)

Website: <https://www.najah.edu/en/>

Final grade: 3.43

I am currently engaged in a graduation project focused on the production of bioethanol from waste industrial materials.

General Secondary School "Tawjihi"

King Talal Secondary School [01/09/2017 – 10/06/2018]

Address: Nablus (Autonomous Palestinian Territories)

Field(s) of study: Scientific Specialization

Final grade: 88%

VOLUNTEERING

Vice Chair

[AIChE An-Najah Student Chapter, 23/01/2023 – Current]

Currently serving as the Vice Chair of the AIChE Student Chapter at An-Najah National University Branch, providing support for the Chair in executing the chapter's goals and initiatives.

Gained experience in organizational leadership and professional development, and made a positive impact on the chemical engineering community through planning and executing events, promoting the chapter, and supporting chapter members in their academic and professional pursuits.
